On behalf of Lemon Bay High School Athletics and the football program, I would like to extend the most sincere thank you for your generous donation of \$3500 dollars. Your generosity made it possible for us to equip each member of our varsity football team with a top of line pair of Under Armour cleats this season.

Your donation helped us provide a first class experience for our student athletes. The young men were filled with gratitude and pride as they received their shoes.

Thank you again for your donation and financial support.

Respectfully,
