RE: Donation

Dear Mr. Wolff:

Thank you so much for generous donation of \$1,000.00 to the EBC Foundation, Inc. We recognize that there are a lot of incredibly worthy organizations in need of support and we are most appreciative that you chose the EBC Foundation, Inc. Your donation dollars have been, at your request, earmarked to support Every Basket Counts, our youth boys basketball team. This wonderful group of talented young boys have chosen to use their skills on the court to help spread the message of the importance of early detection of breast cancer. We are honored to have Every Basket Counts wear our team logo and spread our Foundation's message amongst the younger generation.

Thank you again for your support and generosity.

Sincerely,

*Stacey Mullins*
